My name is Elodie, and I'm five  
years old. I know how to  
make muffins. My sisters  
like when I make muffins  
for them, especially chocolate  
chip!

MY Sisters names are: Sylvie  
and Felicity. Sylvie is 4 and  
Felicity is 1. I adore, adore just  
adore them! We love to play  
together. One of our favorite  
things to play is mermaids in the bathtub.

Sylvie is special to me because  
she's my playmate, and we play  
all the time. I call her Sylv. We  
share a bedroom. She falls asleep  
faster than me and when she sleeps,  
she snores. I'm excited when it's morning  
and we can play some more.

A Mother Si Sister is Felicity. I call  
her Fliss. She is Special to me  
because she does cute things. She  
says "muh" when she gives me a kiss.  
We like to watch Sesame Street  
together. She says "Me lmo" when  
she sees Elmo.

I love being a big Sister! I  
am super excited because my  
mommy's having a baby this  
summer, and it's another  
girl! My life is exciting with  
all of my Sisters!
